

Cruiser Dream 16

The comfortable one

7-zone cold foam mattress

- ◆ High-quality low-flammability CMHR cold foam
- ◆ Ergonomically adapted cross cuts on the core surface provide 7-zone-lying with different support for different regions of the body for optimum position in sleep
- ◆ At the same time, these cuts provide minute ducts for improved exchange of air and heat and a healthy bed climate
- ◆ Due to the symmetrical arrangement of the lying zones the mattress is reversible and turnable any way
- ◆ **Classification according to EU Marine Equipment Directive, Module B (MED-B) and U.S.Coast Guard**
- ◆ **Low flammability according to IMO FTP Code Part 9 (IMO Res.A. 688(17)).**
- ◆ Low-flammability double cloth cover quilted with polyester fibers
- ◆ Cover with zip for easy removal; washable up to 60°C
- ◆ Mattress total height approx. 18 cm
