

Cruiser Pocket

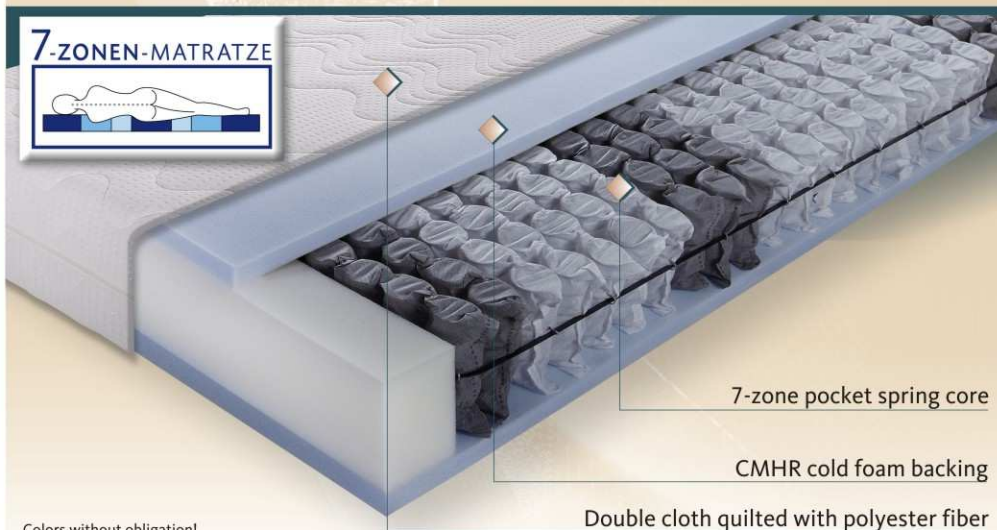

The exclusive sleeping comfort

7-zone pocket spring core mattress

- ◆ Springs of different strength are adapted to the physical ergonomomy and arranged in 7 different zones.
- ◆ Each steel wire spring is packed in a small fleece pocket. The fleece pockets link the springs with each other but each spring can still move freely
- ◆ 390 springs (mattress size 100/200 cm) are arranged in this way. This ensures a very good ergonomic body fit and therefore best comfortable sleep.
- ◆ Very high breathability due to hollow spaces in the core and ventilation as the body moves in sleep
- ◆ The mattress has a bolster of high-quality, high-density CMHR foam all around for a long life of the mattress
- ◆ 10cm wide foam strips add even more lateral stability and edge strength
- ◆ **Classification according to EU Marine Equipment Directive, Module B (MED-B) and U.S.Coast Guard**
- ◆ Low flammability according to IMO FTP Code Part 9 (IMO Res.A. 688(17)).
- ◆ Low-flammability double cloth cover quilted with polyester fibers
- ◆ Cover with zip for easy removal; washable up to 60°C
- ◆ Mattress total height approx. 20 cm
